

PASSION

Kids Go Back to School

August and September are busy months for most Optimist Clubs. An Optimist's mind turns to projects...Bicycle Safety, Internet Safety, Safety on Wheels...all with kids safety in mind.

We've got the projects. Now's lets get the Members to help pull them off!

The challenge is to invite new friends to your fall Club activity. Show them what Optimism is all about and invite them to join your Club.

Jack Creswell
2011-2012 International President
