

The NOW Challenge

“Optimism creates opportunities to weave the innocence and wisdom of different generations.”

Now's the time for your Club to organize a NOW program. NOW programs are an excellent way to bring new opportunities, ideas, energy, leadership and a new direction to your Club's volunteer activities. With the holidays approaching, it's also a time where people want to give back to their community and a few extra hands will help your Club serve more kids throughout the holiday season.

Let's challenge ourselves and our Clubs by hosting a NOW program by November 30, 2011.
