Local Optimist Club to Sponsor Communications Contest for the Deaf and Hard of Hearing

CITY, STATE/PROVINCE – Through the annual Communications Contest for the Deaf and Hard of Hearing, the Optimist Club of **CLUB NAME** is encouraging students to express themselves using either speech or sign language to expand on the questions of “Cyber Communication: Progress or Problem?”

Each year the Optimist Club of **CLUB NAME** conducts the contest to give students who are deaf or hard of hearing an opportunity to present their ideas to an audience and better prepare themselves for the future.

“Many local students have a need to express their thoughts and ideas, and the members of our Optimist Club believe we should give the students a chance to do just that,” Club President **PRESIDENT'S NAME** said. “This is a wonderful opportunity for youth who are deaf or hard of hearing to present their ideas to the community.”

The Optimist Club will judge participants based on content and presentation and will award **AWARD** to the top student. The winner will then move on to the district level, where they will have the opportunity to earn scholarships.

The contest is open to students through **GRADE LIMIT**. To qualify, students must submit results of an audiogram completed no longer than 24 months prior to the date of the contest by a qualified audiologist. Students must be certified to have a hearing loss of 40 decibels or more, which must be supported by the audiogram in order to be eligible to compete.

Students wishing to participate in the contest can find out more about the contest by contacting the club at **CONTACT INFORMATION**.

The Optimist Club of **CLUB NAME** has been participating in the Communications Contest for the Deaf and Hard of Hearing for **NUMBER** years and has been active in the community since **CHARTER YEAR**. Other programs and service projects that the Club is involved in include **CLUB PROJECTS**.
