Oratorical Contest

Planning Guide

Topic:

“Is there a Fine Line Between Optimism and Reality?”

Purpose

Since its start in 1928, the Optimist Oratorical Contest has become the longest-running program sponsored by Optimist International. The contest is designed for youth to gain experience in public speaking, perfect self-expression, gain self-assurance, improve communication skills, and provide them with the opportunity to compete for a college scholarship.

Funding

The Optimist Oratorical Scholarships are funded by member donations to the Optimist International Foundation and Canadian Children’s Optimist Foundation. It is important that all Members understand the significance of supporting the Foundations in order to continue the funding for the contest. Please make sure to recognize the Foundations and any member that donates funds to the scholarships. Without them, there are no scholarships!

Club Contests

A Club may be represented by only two qualified contestants. All Club submissions should be run through a plagiarism checker before being forwarded to the next level.

District Contests

Districts and Clubs hold combined gender contests. Each winner of the District level contest will receive a scholarship for use at a college, university or trade school only. There will be three winners awarded scholarships of **\$2,500**, **\$1,500** and **\$1,000** respectively for first, second and third place.

Instructions to Judges

The contest scoring has been divided into four phases. The general intent of each phase is as follows:

1. Poise 10 points

2. Content of Speech40 points

(Subject Adherence, Theme, Logic, Content, Color)

In this category just the material and its organization as presented by the contestant should be judged. A judge should consider the importance of adherence to the subject of the speech, the proper introduction and the logic and coherent development of the theme which brings about a successful and adequate conclusion. Figures of speech, similes, metaphors, colorful choice of words and zestful, descriptive phrases are important qualities.

3. Delivery and Presentation35 points

(Voice, Pronunciation, Enunciation, Gestures, Emphasis)

Delivery and presentation shall be judged on several factors. Voice quality should be recognized in tone, pitch and volume. Delivery should be continuous without hesitation or halting. Enunciation and pronunciation are most important. Gestures should be appraised for frequency, nature and effectiveness. Desire to be convincing should be obvious and emphasis should be well placed and dynamic.

4. Overall Effectiveness15 points

(Appeal, Impression, Attitude, Effect)

In this category the overall impression created by the speaker and the speech should be rated. In this phase of scoring, the general overall impression is given actual point values. While it must not be used as such, it is in making this particular score that a judge would most closely approach a conclusion that would actually rank the contestants in his or her own opinion.

Penalty Explanations

1. **Use of props, costumes, etc.** - The use of props, special costumes or clothing **will result in a 10 point penalty.** Notes and lecterns may be used if the speaker desires to do so.
2. **Use of audience prompters will not be permitted and will result in disqualification.**
3. **Self-identification** - To eliminate any potential bias or prejudice, no reference can be made that identifies the contestant, parents, school, community, sponsoring Optimist Club or District. This will result in a deduction of **up to 5 points.**
4. **Time penalties** - The time limit for speeches is not less than 4 minutes or over 5 minutes in length. Contestants going over or under the time limit will not be cautioned, but will be penalized one point for each 15 seconds or portion thereof over or under the limits. These penalties will be determined by the timekeeper. Timing will begin at the first word spoken.
5. **Failure to announce the official topic in the first sentence of the speech** - All contestants must express the official topic in the first sentence of the speech. A 3-point penalty must be assessed by the timekeeper for failure to state the official topic.
6. **Failure to complete the speech.** Each contestant must complete the entire speech. The penalty is disqualification.
7. **Failure to identify non-original material.** Any quotation or copyrighted material used must be identified verbally. The failure to do so will result in a **penalty of up to 10 points.**

Official Timekeeper's Score Sheet

For all Zone, District Regional and District contests

The official timekeeper shall use a regulation stopwatch or equivalent timing device which will be supplied by the Contest Chairperson.

Time Penalties

The time limit for speeches will be not under 4 minutes or over 5 minutes in length. Contestants going over or under the time limits will not be cautioned, but will be penalized one point for each 15 seconds or fraction over or under the time limit. These penalties will be determined by the official timekeeper.

Timing will begin immediately after the first word spoken. Timing will stop when the contestant finishes the speech.

Use of Audience Prompters - Use of audience prompters will not be permitted and will result in disqualification

Failure to Announce the Official Topic in the First Sentence of the Speech

All contestants must express the official topic in the first sentence of the speech, or a 3-point penalty is automatically assessed by the timekeeper.

Failure to Identify Non-original Material Verbally

Any non-original material in the speech must be noted verbally and in the written copy of the speech. If a contestant fails to identify non-original material, the result will be up to 10 penalty points. The printed copy of the speech is to be followed to verify the verbal identification. Official Report Form

For all Zone, District Regional and District Contests

The Oratorical Contest Chair should check the math for each contestant's score. Enter the final point grades and ranks on this report form. The Contest Chair should announce the results from this form. For preliminary contests, the Chair will name by letter the two or three best contestants without announcing first, second or third place. For final contests, the Chair will name by letter the third, second, then first place winner.

Contestant's Speaking Order	First Judge		Second Judge		Third Judge		Total of Point Grades	Total of Rank	Place
	Point Grades	Rank	Point Grades	Rank	Point Grades	Rank			
A									
B									
C									
D									
E									
F									
G									
H									
I									
J									

To determine rank in Zone, District Regional and District each judge ranks the speakers as 1, 2, 3, etc., according to their scores. Ties are not permitted. At the end of the contest, the Chair collects the judges' score sheets and checks the math. The point grade and position of rank for each contestant is entered on this form. The winning contestant is then determined as follows:

1. If any contestant is ranked first by a majority of the judges, he or she is automatically declared the winner.
2. All other contestants are ranked by the "total of rank" system. This means that the rank, not the points each judge has given each contestant, is added and this figure is placed in the Total of Rank column. First place is determined by this means also, if no one qualifies under the method explained in #1 above. The lowest total wins first place, the next lowest wins second place and so on.

3. If a two-way tie results for any place, it is broken by a preferential vote. Using the rankings given on the ballots, a tabulation is made on the number of judges who placed one of the tied contestants higher than the other. Example: Two contestants, speakers D and H, are tied for third place and each has received a rank of nine.

Speaker H would be declared the third-place winner as two judges (#2 and 3) ranked H higher than speaker D, who would be ranked fourth in the contest.

4. If a three-way tie results by the total of rank system, then and only then, are the point grades for each contestant totaled to break the three-way tie.

Caution: Scores and rankings should be checked by a second person to ensure accuracy, but remember this information is confidential! Announcing winners incorrectly can be disastrous!
