"CIRCLE 10" RULE

To encourage pace of play, the "Circle 10" rule will be in effect. If a player holes out in 10 strokes or less, he/she should record the actual number of strokes taken on the hole. If a player has not holed out after 10 strokes on a given hole, he/she must pick up his/her ball, record a score of 10 and must circle the 10 on the scorecard. No player who has a circled 10 on his/her scorecard will finish ahead of a player without a circled 10, or will qualify, regardless of score.

PLAYOFFS

Should a need arise, ties for the last qualifying spot and first-alternate spot will be broken using a hole-by-hole playoff (weather permitting). The hole(s) used for the playoff shall be determined onsite by the East Missouri District Chair in conjunction with golf course staff. Contestants who are tied for a qualifying spot or first-alternate position should not leave the golf course after play. If a golfer who is tied for the last qualifying spot or first-alternate position leaves the golf course, he/she will forfeit his/her spot to the golfer(s) who remain for the playoff.

Qualified golfers will be required to register for the international championships by June 30 (no exceptions). A list of alternates will be established based on results. The exact amount of financial assistance depends on available funds. Winners will be notified of this amount and will receive more info individually.

SPECTATOR RULES

In golf, customs of etiquette and decorum are just as important as rules governing play. It is appropriate for parents and spectators to applaud successful strokes, but in order to secure the spirit of the game, we ask parents and spectators to please adhere to the following guidelines. Please note that if any of the following guidelines are perceived as broken by a Rules Official, the player may be subject to penalty.

1. Advice (Rule 8) is any counsel or suggestion which could influence a player in determining his play, the choice of a club or the method of making a stroke. In addition, any conversation between player/spectator may be construed as advice. This includes any conversation between player/spectator in their native language. In either instance, penalty for breach of this rule is two strokes. Players are responsible for the actions of their relatives and spectators in regards to this rule.
2. Keeping the above statement in mind, please keep your conversation with the player to words of encouragement as long as advice is not given.
3. Please turn off all cell phones or turn your ringer to silent or vibrate mode while on the course.
4. Spectators should stay on the cart paths or in the rough. Please stay off fairways, tees and greens. Spectators should remain a minimum of 30 feet from players at all times.
5. Spectators should stay one shot ahead of the group they are following. This allows spectators to follow errant shots and help identify where the ball comes to rest. Spectators are allowed to aid in the search for lost golf balls.
6. Spectators should not give rulings. Please seek a marshal or rules official if the need arises.
7. Spectators are allowed to carry medicine, drinks, food, umbrellas, etc.
8. The Rules Official may assess a penalty to the player based on the severity of the spectator violation. If a serious breach has occurred, the spectator may be asked to leave the facility.
9. For your personal safety, we ask you exercise caution at all times. When inclement weather moves into the area, play will be suspended and you should seek shelter immediately. Players will be evacuated from the course first and then spectators.
10. Spectators are not permitted to consume alcoholic beverages while on the golf course.

SPECTATOR CARTS

A limited number of spectator golf carts will be available for rent from the Pro Shop for use in following play. Golf carts MUST be kept on cart paths at all times and at least 30 yards from players. Spectators MUST NEVER transport players during the event. Transporting a player can result in the player being disqualified. Please be aware of your surroundings at all times and be respectful of players hitting their shots in your vicinity.
