### **SPECTATOR RULES**

In golf, customs of etiquette and decorum are just as important as rules governing play. It is appropriate for parents and spectators to applaud successful strokes, but in order to secure the spirit of the game, we ask parents and spectators to please adhere to the following guidelines. Please note that if any of the following guidelines are perceived as broken by a Rules Official, the player may be subject to penalty.

1. Advice (Rule 8) is any counsel or suggestion which could influence a player in determining his play, the choice of a club or the method of making a stroke. In addition, any conversation between player/spectator may be construed as advice. This includes any conversation between player/spectator in their native language. In either instance, penalty for breach of this rule is two strokes. Players are responsible for the actions of their relatives and spectators in regards to this rule.
2. Keeping the above statement in mind, please keep your conversation with the player to words of encouragement as long as advice is not given.
3. Please turn off all cell phones or turn your ringer to silent or vibrate mode while on the course.
4. Spectators should stay on the cart paths or in the rough. Please stay off fairways, tees and greens. Spectators should remain a minimum of 30 feet from players at all times.
5. Spectators should stay one shot ahead of the group they are following. This allows spectators to follow errant shots and help identify where the ball comes to rest. Spectators are allowed to aid in the search for lost golf balls.
6. Spectators should not give rulings. Please seek a marshal or rules official if the need arises.
7. Spectators are allowed to carry medicine, drinks, food, umbrellas, etc.
8. The Rules Official may assess a penalty to the player based on the severity of the spectator violation. If a serious breach has occurred, the spectator may be asked to leave the facility.
9. For your personal safety, we ask you exercise caution at all times. When inclement weather moves into the area, play will be suspended and you should seek shelter immediately.
10. Spectators are not permitted to consume alcoholic beverages while on the golf course.
