Hey Optimists –

Once upon a time a young girl was swept up and away to a magical, mystical land called Oz. Her mode of transportation was most unusual but she managed to brave the winds of change. It seemed that she was destined to undertake a long journey; a journey of discovery and opportunity and laughter and tears. She gathered a troupe of fellow travelers, each seeking their own unique experience. They were aided and cheered along the way by wizards and others with seemingly miraculous powers and for that great assistance and encouragement they gave many thanks. Separately and together they found triumph and victory, each in their own way. Ultimately they were rewarded with wisdom, heart, courage and a thing called home. So it is with us.

Like Dorothy and her friends, we undertook a wonderful journey as the leaders of Optimist International for the 2010-2011 year. We encountered and undertook many adventures all across the Optimist world. We offered change and new vision and many chose to believe. We formed, strengthened and deepened relationships and most miraculous of all, we touched hearts and changed lives. We too, were all rewarded with greater wisdom, deeper hearts, more steadfast courage, and a larger sense of home.

In these pages we celebrate and congratulate those among us who attained the goals we set for ourselves. Additionally, in our hearts, we will hold fast and will forever treasure those triumphs that, though perhaps less visible, are nonetheless of real and everlasting value and significance. We will never fully understand the difference we have made in the lives and hearts of so many, so I want to say, at least one more time, that you are the best people that I know.

Thank you – Thank you – Thank you.

Danny Rodgers

Optimist International President, 2010-2011

Hé! Optimistes –

Il était une fois une jeune fille qui avait été enlevée et emmenée dans un endroit magique et mystique appelé pays d'Oz. Son moyen de transport était pour le moins inhabituel, mais elle a pu braver les vents du changement. On pouvait croire qu'elle était destinée à entreprendre un long périple; un voyage de découvertes, de grandes possibilités, de rires et de larmes. Elle a regroupé des compagnons de voyage, chacun cherchant à vivre sa propre et unique expérience. Ils ont été aidés et applaudis tout au long de leurs parcours par des magiciens et autres dotés de pouvoirs apparemment miraculeux, et en échange, ils les ont remerciés de tout cœur. Ils ont tous, seuls et en groupe, triomphé et chanté victoire, chacun à leur façon. En fin de compte, ils ont été récompensés avec de la sagesse, du cœur, du courage et un sentiment d'appartenance bien personnel. Ainsi en va-t-il pour nous.

Comme Dorothy et ses amis, nous avons entrepris un voyage merveilleux en tant que dirigeants d'Optimist International pour l'année 2010-2011. Nous avons connus et entrepris plusieurs aventures un peu partout dans le monde Optimiste. Nous avons proposé du changement et une nouvelle vision, et plusieurs ont choisi d'y croire. Nous avons réussi à tisser, à approfondir et à renforcer des liens, et ce qui est encore plus miraculeux, nous avons touché des cœurs et changé des vies. Nous avons également été récompensés par une plus grande sagesse, un cœur encore plus généreux, un courage inébranlable et un profond sentiment d'appartenance.

Dans les pages suivantes, nous célébrons et félicitons ceux et celles qui ont atteint les objectifs que nous nous étions fixés. En outre, dans nos cœurs, nous conserverons précieusement et nous attacherons toujours une grande valeur à ces victoires qui, même si elles sont peut-être moins perceptibles, sont pourtant d'une valeur et d'une signification véritables et éternelles. Bien que nous ne puissions peut-être jamais comprendre la différence que nous avons faite dans la vie et le cœur d'autant de personnes, je tiens à vous répéter, une fois de plus, que vous êtes les meilleures gens que je connais.

Merci – merci – merci.

Danny Rodgers

Président d'Optimist International 2010-2011

# Distinguished Governors 2010-2011
