

Spice Things Up With Optimist Logos

Put a little life into your Club's literature and promotions with Optimist logos.

A variety of Optimist logos are available for Club use and can be found in the "Logos" folder on the CD or downloaded from the Optimist website at www.optimist.org.

Logos are available in high-res and low-res versions.* Clubs can use them on their websites, in their newsletters and in marketing and promotional materials. For more information about logos and when to use them, see the *Motto, Branding & Logos* pdf in the "How-to" folder on the CD.
