

Flying High in June

Did you know that June 15th is Fly a Kite Day? It's a great way to start enjoying the summer weather.

Let's go fly a kite
Up to the highest height
Let's go fly a kite
And send it soaring
Up through the atmosphere
Up where the air is clear
Oh, let's go fly a kite!
(Mary Poppins)

Hold a Fly a Kit Day event and let one of the rules be that an adult and child must participate together. Add a recruitment table or packet for each non-Member and ask for their contact information. Try following up at the end of the month and ask them to join.

The challenge is to have a kite flying event and collect donations for the Childhood Cancer Campaign.

Jack Creswell
