## Just Ten Bucks a Duck for the CCC

Help the Childhood Cancer Campaign get its ducks quacking in Baltimore!

For a \$10.00 donation, Members will be given a ticket for a cute yellow rubber duck. At the Baltimore Convention, all the ducks purchased will participate in a race and the first duck to cross the finish line wins.

Members do not have to attend the Convention in order to participate in the race. Simply send in your ten bucks and reserve your duck today! If your duck wins, the check will be mailed to you after the Convention.

[Click here for the Duck Order form.](#)

Order forms must be submitted by June 20th or ducks must be purchased at the Convention.

All proceeds will go to Johns Hopkins Medicine designated for childhood cancer research or the Canadian Childhood Cancer Campaign.

## Here's How to Keep in the Loop Onsite in Baltimore

Optimist is working with AllPlayers.com to bring instant broadcasting to Baltimore! We will be able to instantly text or email you announcements and fun events throughout the Convention.

It is incredibly easy to get started - Optimist will import your name and email address into their secure system, so all you have to do is activate your account. You will receive an email asking you to do this by simply clicking the personalized link which will then walk you through a wizard to verify your account. This will also allow you to enter your cell phone number if you would like to receive those notifications and announcements during the conference via text message. The import is planned for June 20, so make sure and watch for that email! *It will be sent from [no-reply@allplayers.com](mailto:no-reply@allplayers.com), so we recommend adding this to your contacts list now to be sure it does*

That is only the start of the good news with AllPlayers!
