TIES: Ties for first place will be broken by a sudden death play-off. All other ties will be broken in accordance with U.S.G.A. guidelines for stroke play. The first tiebreaker will be the total score for the last nine holes played. The second tiebreaker will be the total score for the last six holes played. Third tiebreaker will be the total score for the last 3 holes played. The fourth tiebreaker will be total score on the 18th hole.

SUSPENSION OF PLAY: When play is suspended by the Committee for a dangerous situation, if the players are between the play of two holes, they must not resume play until a Tournament Official has ordered a resumption of play. (Note to Rule 6-8b) If they are in the process of playing a hole, they must discontinue play immediately and not resume play until a Tournament Official has ordered a resumption of play. If a player fails to discontinue play immediately, he is disqualified unless circumstances warrant waiving the penalty as provided in Rule 33-7. **The signal for suspending play due to a dangerous situation will be one long blast of the horn.** If possible, mark the position of your ball with a tee. Shuttles will be used when possible to transport you back to the clubhouse. **NO EXCEPTIONS! If inclement weather suspends play on the final day of the tournament and it is determined that all players in your age division cannot complete 18 holes by 5:30 PM but the entire field in your age division can complete a common 9 holes then the tournament will revert to a 27 hole event. If a common 9 holes cannot be completed on the final day then the tournament will revert back to the last stipulated round completed by the entire field in your age division.**

RESUMPTION OF PLAY: Once the Tournament Director has decided to resume play, an announcement will be made to all Contestants. As directed, players will return to the golf course. The player **must** place the ball on the spot from which the original ball was lifted.
