FINANCING YOUR DISTRICT TOURNAMENT

Pre-Qualifier / Qualifier Fees

Districts are responsible for paying \$9.00 per participant for all golfers participating in your pre-qualifiers and qualifying tournaments. The number of qualifying spots granted for future Optimist International Junior Golf Championships will be determined by the number of participants that are indicated on the District Qualifying Report Form and for whom the qualifier fee is paid. This fee helps defray some of the costs that Optimist International incurs in running such a prestigious championships. District Chairs should submit the District Fee Report Form along with the \$9.00 per participant fee. District support is essential for the success of the Optimist Junior Golf Program. **To help obtain these fees most Districts include qualifier fee in the golfers registration.**

District Tournament Registration Fees

Your tournament registration fees greatly affect the success of your District qualifying tournament. It is recommended that your calculations be based on the turnout of the previous year's event. Communication within your District should start as early as possible with details of your tournament plans, financial requirements, and volunteer needs.

Your tournament registration fees must cover greens fees and should also offset the District's costs in sending the first place winners of each age group to PGA National Resort & Spa and paying the \$9.00 pre-qualifier and qualifier fees. Your entry fee should be comparable to similar junior tournaments in your area.

Do not be apprehensive about charging the appropriate registration fees to cover your costs. Please contact the Junior Golf Department for consultation.
