- Baby-sit
- Sponsor a talent show
- Sell pizzas
- Hold a dance
- Hold a spaghetti dinner
- Work a concession stand
- Sell school spirit items
- Sell pictures with Santa
- Create and sell calendars
- Sell flowers and cards for holidays
- Do odd jobs
- Sponsor a marathon dance contest
- Hold a fashion show
- Sell tickets for a raffle
- Sponsor a bowl-a-thon

Tips for successful planning

Perform these steps and answer a few key questions before you begin a new project:

- Form a team. Club officers or advisors choose Members to form the nucleus of the project team.
- How much money will you need to run the project?
- Do you need to do a fundraiser before you start?
- Choose a date on which many of the Members can participate and make sure enough Members sign up to pitch in.

- Publicize the event. Publicity helps attract new Members to the Club and pumps up current Members. Make posters and fliers to distribute in school and in the community. Make an all-school announcement inviting participation in the event. Send a delegate to the sponsor Club's meeting and invite participation from the sponsor Club.
- Should we do this project again? Keep records! Next time you choose a project things will be much easier if you have a place to start.
