

Dear Field Representative,

Congratulations on your decision to serve as an Optimist International Field Representative!

We are very excited about this upcoming year and also being a part of the Team!

You are the first person on the International level that a New Club sees and the one who will leave a lasting impression. We sincerely appreciate your dedication to the Optimist organization and the service that you provide to our Optimist Clubs.

We, as OI staff, want to help you in any way we can. On the back of this sheet you will find a chart that lists everyone in the Member Services area. You will also find the phone number and extensions of each of the Staff along with their e-mail addresses. Please contact us at any time if you have if you have questions or need information.

You will also find a resource book that lists the various departments here at Optimist International and what areas are covered within the departments. We know that you receive many questions from New Club Members and this will help you get the information that they need or point them in the right direction.

We look forward to working with you this year and again, "Thank you" for all of your help with the growth effort of our organization.

Sincerely,

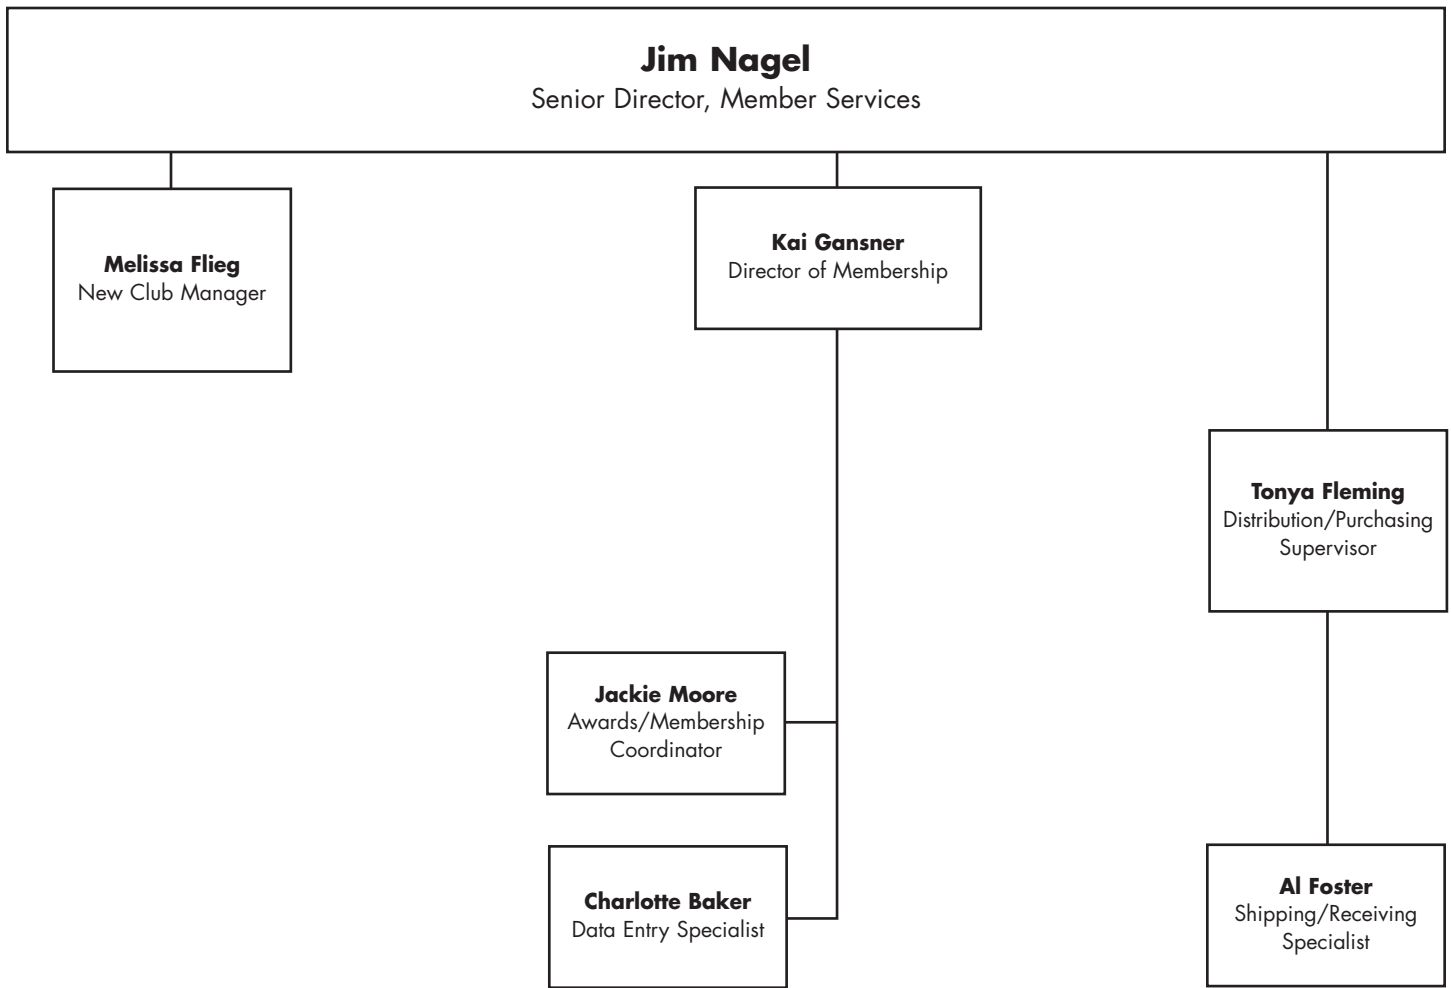

JIM NAGEL
