

Proposed Bylaw Amendments 2025-2026

ISSUE 1: INABILITY TO ADOPT NEW OPTIMIST SLOGANS

(Submitted by The International Board of Directors)

EXPLANATION: The “Friend of Youth” slogan is one of many we have had. While our slogans may change from time to time being imbedded in the Bylaws makes it more difficult to adopt new slogans. ISSUE 3: MAINTAINING INFORMATION IN MULTIPLE LOCATIONS

(Submitted by The International Board of Directors)

EXPLANATION: In trying to clean up and simplify our Bylaws, it would be beneficial to remove duplicate information that is provided for in Policies. This includes any details pertaining to dues and fees as all of this information is already included in the Master Schedule of Dues and Fees. Maintaining information in multiple locations increases the risk of errors and confusion.

ISSUE 4: CONFUSION REGARDING AGE ELIGIBILITY FOR JOI CLUBS

(Submitted by The International Board of Directors)

EXPLANATION: With the review of this Bylaw and after discussion with the JOI leaders, it was determined that the intent of the program is to accommodate students still enrolled in school. The current Bylaw created confusion around the age limitation with the wording “less than 19 years of age prior to September 30th of the current administrative year”. Recognizing that there may be students graduating from high school at different ages based on academic ability or differences between countries, we felt it was more accurate to state “currently enrolled in elementary, middle or high school or equivalent education systems.” This would also allow us to be inclusive of those being home schooled. In addition we are removing the reference to Alpha, Junior and Octagon clubs as the JOI organization does not differentiate clubs by age anymore.

CURRENT:

Bylaws Article III.
SECTION 1 C. Youth Club-Junior Optimist
International (JOI) club

Membership in this class of OI shall consist of affiliated Junior Optimist International Clubs (JOI). JOI Clubs shall consist of young people less than 19 years of age prior to September 30th of the current administrative year and not yet a member of an Adult Optimist Club (to include College Clubs). Special consideration may be made for students with disabilities. JOI Clubs shall consist of Alpha, Junior Optimist or Octagon youth clubs, the requirements of which shall be set forth in JOI Policies of OI (the “JOI policies”). JOI Clubs shall meet all requirements for affiliation as prescribed in the JOI policies. New Club formation and Club revocation procedures must also be consistent with JOI policies. JOI Districts and the JOI Board of Directors (herein “JOI Board”) shall have direct supervision over JOI Member Clubs under the auspices of the Board. JOI policies shall be established by the JOI Board with the approval of the Board.

(Submitted by Optimist Club of Paso Robles)

EXPLANATION: With the decline of membership over the past several years and taking into consideration the effects of the COVID pandemic, we feel there is a need to grow our current clubs and foster new clubs so that our organization can continue to thrive now, and in the years to come. ISSUE 8: Candidate Qualification Selection for Vice Presidents

(Submitted by The Kitchener-West Optimist Club 45-932, Optimist Club of Riverside (Windsor) 45-178)

EXPLANATION: While current Optimist International Policy I-130 states “In its discretion, the Committee may nominate a candidate whose membership is in a club outside the region for which they are nominated.”; slates of officers submitted by the Candidate Qualifications Committee year after year appear to demonstrate an inherent bias to nominate one Vice-President-Elect candidate that is a member of a club in each region. Concern exists amongst the co-sponsor clubs that qualified - or potentially more qualified - candidates are not receiving due consideration, or are being passed over, simply due to geography of their club. It is in the best interest of Optimist International that the best candidates receive due consideration for leadership positions, and the seven most qualified candidates for Vice-President-Elect should be nominated each year. Instead of proposing a resolution requesting that the OI Board consider a change in wording in the applicable policy, the co-sponsors of this amendment propose instead placing this requirement in the Bylaws. This will ensure that membership provides proper guidance to the Candidate Qualifications committee to implement such immediately and without exception.
