

New Club Sponsor - Definition of

I-6

Sponsorship of a new Club should involve the participation of the sponsoring Club's members in the selection of and regular contact with the nucleus of the charter roster, guidance through preliminary steps and attendance at a majority of the pre-organizational meetings. For the purposes of sponsorship credits and awards the sponsor Club President(s) or their designated representative(s) must attend the official organization meeting and complete the follow-up requirements and any other requirements as specified in the New Club Building Guide.
