ACTIVITIES ...UNLEASHING THE CREATIVITY!

Join members of the 2019-2020 'iImagine' Activities Committee for this session introducing Optimist International's new slate of activities developed to unleash the creativity of the young people we serve in a festive and caring atmosphere. These projects, including "The Optimist Photography Contest", "The Optimist Visual Arts Competition", "Optimists Spark Fun in the Park", and "Kaleidoscope of the Performing Arts" will be discussed. In response to the 'events of the day', the details of our latest project, "Re-iMaging Support", will be presented. It is time to "iImagine" the possibilities in your community.

BETTER SELECTING AND ONBOARDING VOLUNTEERS

Searching for the right volunteers is like fishing. We need to determine what is the best way to "catch" the right volunteers. Do we cast out a big throw net? Do we use a fishing pole with a big or small bait? Do we chum up the waters? Do we fish close to shore or out in the open ocean? During this workshop, you will learn tips and suggestions on recruiting volunteers and how to keep the special "catches of the day"! *International Leadership Development Committee, Susan Fix*
