Description of Events

Opening Ceremony and Player Orientation
Don’t miss the Opening Ceremonies and parade of flags followed by the player orientation. Learn important local rules and evacuation procedures in case of bad weather. The Long Drive Competition winners will also be announced. Attendance at this event is mandatory for all golfers.

“Glow-Ball” Putting Event
Sharpen up your putting skills with our after dark nine-hole glowing night golf. The putting green is set like a miniature golf course with lit holes. Let’s light up the night!

Arnold Palmer Golf Long-Drive Competition
Arnold Palmer Golf Management is the exclusive sponsor of the Long-Drive Competition. Preliminaries take place from 1:30 – 5:30 pm on the Champion Driving Range on practice round days. The top finishers from each age division will advance to the finals and compete for awards on Champion Driving Range (see schedule of activities for date and time).

Rules of Golf Clinic
A certified USGA Rules Official will be onsite to discuss common rules situations and applications and how to make sure you are following the rules during competition. You work hard practicing and taking lessons to take strokes off your score. We want to help you keep your score low by showing how to avoid unnecessary penalty strokes. All golfers and parents are encouraged to attend!

Par-Tee Time
After a week full of competition, it’s time to relax, unwind and have fun with your new friends before packing up and heading home. It’s your last night at PGA National, so join your friends for this awesome night of fun.

Educational Seminar (Boys 16-18 and Girls 15-18)
“The Road to College Golf – What it Takes: A College Coaches Panel”
Topics of discussion will include NCAA rules & regulations, contact with coaches, the recruitment process, and responsibilities of the student-athlete.

Optimist Golf Parent-Child Classic
The Parent-Child Classic is a two-player team consisting of a junior golfer and a parent, step-parent, grandparent or aunt/uncle competes. The tournaments will be held on July 22 and July 27 on the Palmer Course.
Optimist Golf Code of Conduct

The Optimist International Junior Golf Championships takes great pride in the quality of its players, host facility and volunteer involvement. Optimist Junior Golf requires all players and guests to adhere to a set of guidelines. Tournament play will be conducted in accordance with USGA rules, Code of Conduct and local course rules.

Disqualification Policy
Disqualification will occur if during a competitive round of the tournament a player refuses to continue play after a rules official releases the player to continue play. Failure to report for your tee time, leaving the course without the notification and approval of a Rules Official, or any other already published reason will also be automatic disqualification. All printed and published results at the end of the tournament will reflect a disqualified status.

Dress Code
Proper golf attire is required at all times during the practice round and tournament play. Questionable attire will be reviewed by the Tournament Director. Players in violation of the dress code will not be permitted to tee off and may be assessed stroke penalties.

- Hats/visors must be worn with brim forward.
- Collared shirts must be worn and tucked in at all times with the following exceptions: women's shirts without a collar must have sleeves. Men's shirts without a collar must have a tight neck fit. T-shirts are prohibited.
- No tank tops, short-shorts, denim shorts, cut-off shorts, gym shorts, t-shirts or jeans are allowed during play on the course. Appropriate resort attire is required at all times while off the golf course.

Violations ON and OFF THE COURSE

- Unsportsmanlike conduct, including abusive language, club throwing, disrespect to volunteers, officials or fellow competitors, or abuse of golf course property.
- Use of drugs or alcohol, smoking or chewing tobacco products—a zero tolerance policy is in effect.
- Not adhering to the dress code during practice rounds or tournament play.
- Use of cell phones can only be used to notify a tournament official for a ruling or medical attention. Please make sure they are turned off during play. Headsets are strictly prohibited and may result in disqualification.
- Any use or association with drugs or alcohol, smoking or chewing tobacco products—a zero tolerance policy is in effect.
- Vandalism at the hotel or its surrounding properties, abusive behavior to any volunteer or tournament official.
- Damages in any rooms will be the financial responsibility of the players occupying the room. Please report and accidental damage to your chaperone or at the tournament office.
- All players must comply with the tournament Curfew of 11 p.m. local time. You must be in your room by the Curfew and remain in your room for the remainder of the night unless accompanied by an adult chaperone, parent, or legal guardian. Nightly random room checks will be made.
- Leaving the resort property is not permitted unless accompanied by an adult chaperone, parent, or guardian.
- Gambling is not permitted. Any games involving the exchange of money are strictly prohibited.
- Male and female participants may not occupy the same room at any time. Roommate changes are not permitted. Once you are assigned to a room you may not change rooms. No exceptions.
- Attendance at the player orientation is mandatory. Any player failing to attend the player orientation may be subject to disqualification.
Spectator Code of Conduct

Spectators are welcome and are free of charge. In golf, customs of etiquette and decorum are just as important as rules governing play. It is appropriate for parents and spectators to applaud successful strokes, but in order to secure the spirit of the game, we ask parents and spectators to please adhere to the following guidelines. Please note that if any of the following guidelines are perceived as broken by a Rules Official, the player may be subject to penalty.

- Advice (Rule 8) is any counsel or suggestion which could influence a player in determining his play, the choice of a club or the method of making a stroke. In addition, any conversation between player/spectator may be construed as advice. This includes any conversation between player/spectator in their native language. In either instance, penalty for breach of this rule is two strokes. Players are responsible for the actions of their relatives and spectators in regards to this rule.
- Keeping the above statement in mind, please keep your conversation with the player to words of encouragement as long as advice is not given.
- Spectators attend Optimist Golf events at their own risk.
- Please turn off all cell phones while on the course.
- Spectator carts are not allowed at the Championships. Other Optimist Tournaments are based on availability for a fee.
- Spectators should stay on cart paths. In the absence of cart paths, we ask that spectators stay in the rough. Please stay off fairways, tees and greens.
- Spectators should stay one shot ahead of the group they are following. This allows spectators to follow errant shots and help identify where the ball comes to rest. Spectators are allowed to aid in the search for lost golf balls.
- Spectators should not give rulings. Please seek a Rules Official if the need arises.
- Spectators are allowed to carry medicine, drinks, food, umbrellas, etc.
- The Rules Official may assess a penalty to the player based on the severity of the spectator violation. If a serious breach has occurred, the spectator may be asked to leave the facility.
- For your personal safety, we ask you exercise caution at all times. When inclement weather moves into the area, play will be suspended by sounding airhorns. Accordingly, you should seek shelter immediately. The staff will evacuate players from the course first and then spectators.
- Spectators are not permitted to consume alcoholic beverages while on the golf course, in any Optimist meal function or planned indoor event.
- Please use discretion when smoking around players on courses.

Violation Penalties
One stroke penalty for each act of unsportsmanlike behavior on the golf course. A serious act of unsportsmanlike behavior on the course may result in the player being immediately disqualified from the tournament, subject to review of the Rules Committee. Any Code of Conduct violation off the course may also result in the player being disqualified from the tournament and immediately sent home subject to review of the Junior Golf Committee.

Withdrawal Policy
This policy will allow for withdrawals for medical reasons or for emergencies. The medical reason must be verified and approved by a Rules Official and Tournament Director. If a Rules Official and Tournament Director deems the player is healthy enough to continue and the player refuses, the player will be disqualified. The entire group involved will be held at the point of stoppage and other groups will play through. A rules official will restart the group. All play must comply with all current tournament rules and policies. The player must notify and receive approval of a Rules Official prior to leaving the course. The decision of the Rules Committee is final. If a family emergency, on or off site occurs, the Rules Committee may allow a player to withdraw. The reason or reasons must be verified by the Rules Committee. All printed and published results at the end of the tournament will reflect a withdrawal status.
A Brief History of the Optimist International Junior Golf Championships

Since 1978, Optimist-sponsored golf tournaments have served as a springboard for many of golf’s greatest players. Lexi Thompson, Jason Day, Phil Mickelson, Ernie Els, Tiger Woods, Michelle McGann and Nancy Lopez are just a few of today’s elite players who found their humble beginnings with the Optimists.

This world-class event originated in 1968 when three leaders of the San Diego County Junior Golf Association formed Junior World Golf. In 1978, through the action of Dudley Williams, a lifelong San Diego resident and soon-to-be President of Optimist International, the Optimists became a sponsor of the event, thus creating “Optimist Junior World.” Through this partnership, Optimist International began holding qualifying tournaments for 15 to 17-year-olds across the United States and Canada. As a result, 55 tournaments drew more than 3,500 entrants.

In an effort to expand the tournament, Optimist International moved the event to South Florida’s Doral Golf Resort & Spa in 1995, and renamed the event the Optimist International Junior Golf Championships. The plan proved so successful after only one year, The Optimist moved again to PGA National Resort & Spa in Palm Beach Gardens.

The Optimist continues to be one of the best-known junior tournaments in the world with more than 5,000 golfers, ages 10-18, participating in qualifying tournaments each year.

Annually approximately 700 of the best junior golfers, representing over 25 nations, 45 states and five Canadian Provinces, converge for a week of unsurpassed competition, fellowship and fun.
Optimist Clubs are dedicated to “Bringing Out the Best in Kids” and do their part through community service projects. Since each Club is autonomous and run by members in their community, Optimists have the unique flexibility to serve the youth of their area in any way they see fit. Optimist Clubs see a need in their community and react to it.

Optimists strive to live up to their name and maintain an upbeat attitude, which they try to pass along to the children they serve. The words of The Optimist Creed are well known to Optimist volunteers and beyond. The creed gives volunteers a focus for personal improvement as they work to better the world around them.

Optimist Creed

Promise Yourself
To be so strong that nothing can disturb your peace of mind.
To talk health, happiness and prosperity to every person you meet.
To make all your friends feel that there is something in them.
To look at the sunny side of everything and make your optimism come true.
To think only of the best, to work only for the best, and to expect only the best.
To be just as enthusiastic about the success of others as you are about your own.
To forget the mistakes of the past and press on to the greater achievements of the future.
To wear a cheerful countenance at all times and give every living creature you meet a smile.
To give so much time to the improvement of yourself that you have no time to criticize others.
To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
MEMBERS OF THE ALL-SCHOLASTIC TEAM

After reviewing the qualifications of a record number of impressive applicants, the Optimist Junior Golf Committee has selected the following exceptional student athletes for the 2018 Hugh Cranford All-Scholastic Team:

Academic Award Winners
Jackson Franchville, Coatesville, Indiana
Hailey Freedman, Raleigh, North Carolina
Christopher McDonald, The Woodlands, Texas
Marlene Tartaro, Warren, New Jersey

Community Service Award Winner
Gerry Jones, Jr., Suffolk, Virginia

This team exemplified an impressive balance of academics, golf and community service. The All-Scholastic Team is named for Hugh Cranford, who served as executive director of Optimist International from 1967 to 1986. He was instrumental in starting the Optimist Junior Golf program and in 1978 led the efforts to co-sponsor the Optimist Junior World Golf Championships in San Diego, the forerunner to today’s Optimist International Junior Golf Championships. Cranford passed away in August 2014.

Jackson Franchville is a senior at Cascade High School in Coatesville, Indiana. Franchville carries a cumulative 4.3 grade point average, scored high on his SAT, PSAT and ACT scores, and is taking several advanced placement courses. He is valedictorian of his class. In 2017, he was honored as part of the Rising Stars of Indiana recognition program based on his academic achievement. Franchville is an avid golfer and member of the varsity golf team. In his spare time, he is a landscape worker for members of the community, a carpenter assistant, and helps his father flip houses.

Hailey Freedman graduates this year from Cardinal Gibbons High School in Raleigh, North Carolina. She is an exceptional student with a cumulative grade point average of 5.3. Freedman has received the Dartmouth Alumni Book Club award, National Merit Commended Scholar, Gibbons Scholar Athlete Award, and selected as Junior Marshal for 2017 graduation based on status as class valedictorian at the end of her junior year. She is also a member of the Tri-M Music Honors Society, National Honor Society, and of the Green Army (which is a student-led cheering section at the high school sporting events). She is captain of the women’s golf team, violinist in the advanced strings ensemble, and Secretary of the Tri-M Music Honors Society. She is the founder of the Kids Helping Kids program at the Ronald McDonald House of Chapel Hill in North Carolina.
CHRISTOPHER MCDONALD is a junior at The John Cooper School in The Woodlands, Texas and top of his class taking advance placement classes, and maintains a 4.0 grade point average. For the past two years, he was named Rotary Student of the Year and this school year nominated for the Rotary Youth Leadership and Student of the Year award. He was also named Outstanding Math Student of the Year. He is a leader in Habitat for Humanity serving as service chair for The House That John Built and founded Pars and Birdies FORE Habitat for Humanity in order to raise money for Habitat through The John Cooper golf team. McDonald is a Student Ambassador to new students, helping them acclimate to their new school and integrate socially into the community. He also participates in several mission trips both locally and in Central America specifically Costa Rica and Nicaragua. In golf, Christopher was named All-SPC (top 10 in Conference Championship) both sophomore and junior year.

MARLENE TARTARO a senior at Watchung Hills Regional High School in Warren, New Jersey. Tartaro scored high on her SAT and PSAT tests and took several advanced placement courses. She was accepted into the National Spanish and Chinese Honor Societies. She also received the Principal’s Honor Roll, New Jersey’s State Seal of Bilteracy, and Watchung Hills Skyland Conference Scholar – Athlete. Tartaro founded the first ever Varsity Girls’ Golf team at Watchung Hills and is the captain of the team. She also participated on the Boys’ Golf Team her freshman year. She is the sole volunteer for Els for Autism golf program and organized a joint team fundraiser volunteer opportunity for Autism New Jersey. She also volunteers at the First Tee of Connecticut for the Middle School. Tartaro has been recuited to attend and play golf at Colombia University starting Fall 2018.

The Community Service Award goes to:

GERRY JONES, JR. is currently a junior and homeschooled. He carries a 4.5-weighted grade point average. Jones volunteers as a Life Skills Coach for The First Tee of Hampton Roads. For the past three years, he has planned and coordinated a “Golf-A-Thon.” Money raised is split between The First Tee program and the AJGA Ace Grant Program (a program to serve junior golfers who cannot afford to participate in golf tournaments). He has raised $16,936! Jones also plays the violin and piano, and performs for the retirement adults at the Bickford Retirement and Memory Care and at the Association of University Women’s annual fundraiser events. He is also a member of the Bay Youth Orchestras of Virginia. He is an avid golfer who qualified and played last year at the Optimist International Junior Golf Championship.
