A Resolution from the Making A Difference JOOI Club Board of Directors Requesting the Establishment of a Young Adult Optimist Advocate Position to Maintain and/or Spark Young Adult/College Students' Interest in Volunteering

Whereas, the ability to attract young adults to local Optimist clubs is an ongoing challenge; and

Whereas, almost all sponsoring Optimist Clubs of Octagon level JOOI clubs have long term mentoring relationships with their JOOI leaders either at meetings or during service projects; and

Whereas, the popularity of volunteer service among young adults/college students quickly diminishes with the new found freedoms, expanded social life, or increased levels of academic work, and

Thereby, the Junior Optimist Octagon International department will enhance its dedication to Optimist International by establishing an official Young Adult Advocate officer position for all Octagon level - Junior Optimist Octagon International clubs.

Tanalynn Johnson
