COMMUNITY IMPROVEMENT

Project Name: L'art sur casiers (Works of Art on Lockers)
Sponsoring Club Name: Club Optimiste de Lorraine
Location: Quebec, Canada
Target: Elementary school children
Purpose of Project: Help beautify a school while educating children

Project: Optimist Members talked to the school principal and decided to give the school a slight makeover by using the students' lockers as canvases. Optimist Members provided materials and worked with each class, assigning different environmental issues to portray on the lockers.
Results: 343 students from the elementary school participated in painting the lockers, and 600 people attended the unveiling ceremony. Commemorative plaques with all the participants' names were given and displayed in the school.
