

Junior Optimist International Personal Growth & Involvement Program

The Junior Optimist Personal Growth and Involvement (PGI) Program, like the Optimist International (adult) PGI Program, is designed to encourage active participation in both meetings and activities by Members; to increase the opportunities for developing personal and leadership skills while learning about Optimism as a philosophy of life; and to honor and recognize individual Members for their own growth, personal accomplishments and contributions to their Club. There are three levels of recognition (Bronze, Silver, and Gold) in the PGI Program with a separate program for each of the three different types of Clubs (Alpha, Junior, and Octagon). A Member may complete the level requirements simultaneously and in any order over the entire course of membership within a Club; thus the requirements may be completed over multiple years of Club membership. Each level of recognition is earned only once per type of Club and a Member's progress continues from one year to the next – you don't start over each year; you simply continue on from where you left off the year before – the exception, is when moving up to the next type of Club, in which case the requirements must be met while a Member at that level of Club, i.e. being an officer in a Junior Club does NOT meet the requirement for someone that is a Member of an Octagon Club – they must run/serve as an officer at the Octagon Club level.
